2018 CENTRAL DISTRICT PUBLIC IMPROVEMENTS

Capital City Development Corporation (CCDC), the urban renewal agency for the city of Boise, Idaho, will accept proposals about qualifications from companies licensed in Idaho with both construction manager and public works contractor licenses to perform CM/GC services for the agency's 2018 Central District Public Improvements Project.

CCDC anticipates using the CM/GC delivery process to complete this high-profile project. The CM/GC company ranked highest from this Request for Qualifications (RFQ) process will be asked to negotiate a contract. These materials also are available at the CCDC offices: 121 N. 9th Street, Ste. 501, Boise, ID 83702. Submissions will be accepted until 3:00 p.m., Thursday, September 7, 2017.
