AGENDA BILL

Agenda Subject: Resolution 1557 Approval of a Type 4 Public Private Participation Agreement for reimbursement of improvements to Agency owned property consisting of painting the Capitol & Main Parking Garage, 770 West Main Street within the Central URD.		Date: 7/9/2018
Staff Contact: Benjamin Houpt	Attachments: 1) Resolution No. 1557 2) Type 4 Public Private Participation Agreement	
Action Requested: Adopt Resolution No. 1557 approving and authorizing the execution of the Type 4 Public Private Participation Agreement.		

Background:

The Capitol & Main Parking Garage was constructed by the Boise Redevelopment Agency in 1988 and at approximately the same time, the Roper Investment Company constructed the Capitol Terrace Building. The two buildings are adjacent and have historically been painted the same and appear to be one structure. In the spring of 2017, The Capitol Terrace Building was sold to Hawkins Companies. Hawkins Companies planned an exterior remodel of the Capitol Terrace Building, which is currently underway. This includes new awnings and repainting the exterior of the building.

CCDC had tentatively planned on repainting the exterior of the Capitol & Main Parking Garage in Fiscal Year 2020. The developer's schedule is a bit sooner and in an effort to retain the coordinated color scheme, minimize disruption to parking operations, and economize on the painting project, CCDC is proposing a T4 agreement to complete the painting for both this Summer.

CCDC staff met with representatives of Hawkins Companies in the spring of 2018 to discuss the possibility of partnering to paint the Capitol & Main Parking Garage. A Type 4 Participation Agreement will allow Hawkins Companies to paint the Capitol & Main Parking Garage at the same time as their building, saving CCDC money on mobilization and construction administration.

Painting is scheduled to begin in August and is planned to be complete by the end of September.

Fiscal Notes:

The current not-to-exceed total project cost is \$214,461.04, which utilizes some central district close out monies and parking funds.

Staff Recommendation:

Approve and authorize staff to execute the Type 4 Public Private Participation Agreement for the Capitol & Main Parking Garage Painting.

Suggested Motion:

I move to adopt Resolution No. 1557, authorizing the execution of the Type 4 Public Private Participation Agreement with Hawkins Companies.

THIS TYPE 4 CAPITAL IMPROVEMENT REIMBURSEMENT AGREEMENT (“Agreement”) is entered into by and between the Urban Renewal Agency of the City of Boise, also known as the Capital City Development Corporation, a public body, corporate and politic, of the State of Idaho (“CCDC”) and GRHH Capitol Terrace LLC and HC Capitol Terrace LLC, both Idaho limited liability companies (“Developer”). CCDC and Developer may be collectively referred to as the “Parties” and individually referred to as a “Party.”

RECITALS

A. CCDC owns or controls certain real property addressed as 770 West Main Street, Boise, Idaho, and more commonly known as the Capitol & Main Parking Garage (the “Project Site”) which is depicted on attached Exhibit A. CCDC has allocated certain FY2018 funds for improvements to its Capitol & Main Garage (the “Painting Project”).

B. Developer owns certain real property addressed as 100 North 8th Street, Boise, Idaho, more commonly known as Capitol Terrace. Developer is undertaking a renovation of the Capitol Terrace (“Main + Marketplace Project”). Developer initiated the Main + Marketplace improvement plans in FY2018, including such enhancements as painting and awnings. Developer hired CTA Architects Engineers to prepare the necessary Design Review and bid packages for the project.

C. CCDC’s property and Developer’s property are adjacent and connected physically, forming the Capitol Terrace Condominiums. The Painting Project and Main + Marketplace Project are located in the Central Urban Renewal District (“Central District”) and will contribute to enhancing and revitalizing the Central District.

D. CCDC has determined it is in the best interest of the public to coordinate the Painting Project as part of the Main + Marketplace Project by utilizing its Participation Program which includes the Type 4 – Capital Improvement Program under which CCDC initiates capital improvement projects using Agency funds which may be coordinated through a joint effort with private entities and/or other public agencies.

F. CCDC and Developer have determined that it is in the public interest to enter into the Agreement whereby Developer will paint the Capitol & Main Parking Garage during the Main + Marketplace Project and the Agency will reimburse the Developer for the cost of the work performed by the Developer’s contractor on the Capitol & Main Parking Garage, as detailed in this Agreement, to achieve the objectives set forth in the Central District Plan and in accordance with CCDC’s Participation Program.

AGREEMENTS

NOW, THEREFORE, in consideration of the above recitals, which are incorporated into this Agreement; the mutual covenants contained herein; and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby agree as follows:

1. **Effective Date.** The effective date of this Agreement (“Effective Date”) shall be the date on which this Agreement was signed by the last of the Parties to execute it.

2. **Term.** This Agreement shall be in effect beginning on the Effective Date and continuing until the earlier occurrence of: 1.) performance and completion by each of the two Parties of all obligations; or 2.) September 30th, 2018, provided that if Developer has completed the Painting Project before September 30, 2018, CCDC’s reimbursement obligations shall survive the Term of this Agreement.

3. **Extension.** [Deleted]

4. **Construction of the Capitol & Main Parking Garage Painting Project.** Developer agrees to perform the Painting Project consistent with the following:

- a. The Capitol & Main Parking Garage Painting Project shall be performed in accordance with the overall Boise City infrastructure plans, policies, and design standards and with the applicable portions of the Boise City Code.
- b. Developer shall schedule regular construction inspections and a final inspection meeting with CCDC to ensure that the Capitol & Main Parking Garage Painting is performed pursuant to this Agreement.

The Parties agree that the Painting Project is depicted and described on Exhibit B, with cost details described on Exhibit C. Any other public improvements that are constructed by Developer as part of the Main + Marketplace Project are not eligible for reimbursement pursuant to this Agreement. Additionally, CCDC’s reimbursement obligation is limited to the amount set forth in Section 5 of this Agreement.

5. **Construction Funding.** The total amount to be paid by CCDC to Developer under this Agreement shall not exceed **TWO HUNDRED FOURTEEN THOUSAND FOUR HUNDRED SIXTY-ONE and 4/100 DOLLARS (\$214,461.04)**. Developer shall pay for all of the costs of performing the Painting Project with any reimbursement payments to Developer by CCDC made pursuant to Section 8. The Parties acknowledge that the Schedule of Eligible Costs attached as Exhibit C is an estimate by Developer’s general contractor and that actual total costs, as well as each line item of cost, may be less than is shown on Exhibit C.

6. **Review of Construction Plans.** Upon CCDC’s request, CCDC shall have the right and the opportunity to review Developer’s construction plans, budgets, and bids for the “Eligible Costs”). Developer will utilize commercially reasonable contracting, budgeting, and bidding practices to ensure that the Painting Project is performed consistent with the Construction Documents and are undertaken in a reasonable manner.

7. **Notification of Completion; Inspection.** Upon completion of construction, Developer shall notify CCDC in writing and request a final inspection meeting with CCDC to determine if the Painting Project meets the requirements of this Agreement. CCDC shall provide Developer with written confirmation that the Painting Project has been completed in compliance with this Agreement.

8. **Determining Actual Eligible Costs.** Developer is responsible for submitting lien waivers, invoices and receipts for work performed as part of the Painting Project (“Cost

Documentation”) within thirty (30) days of completion of the Painting Project. Cost Documentation shall include the following:

- a. Schedule of values with individual line items for the Painting Project approved by CCDC for reimbursement so those improvements are identifiable separate from other line items (“Schedule of Values”).
- b. Invoices from Developer or Developer’s general contractor, subcontractor(s) and material suppliers for each type of eligible cost item. Invoices shall specify quantities and unit costs of materials.
- c. Explanation of any significant deviation between the initial cost estimates in Exhibit C and the actual costs in the Cost Documentation.

CCDC shall have the right to review the Cost Documentation and to obtain independent verification that the quantities of work claimed, the unit costs, and the total costs for eligible costs are commercially reasonable and consistent with the cost estimates provided by Developer to CCDC prior to construction. In the event Developer fails to timely deliver the Cost Documentation, CCDC may, in its discretion, elect to terminate its payment obligations under this Agreement by providing Developer with written notice of such default. Developer shall have thirty (30) days from such written notice to cure the default. In the event Developer fails to cure such a default, CCDC’s payment obligations under this Agreement may be terminated in CCDC’s sole discretion.

Within thirty (30) days of CCDC’s receipt of the Cost Documentation, CCDC will notify Developer in writing of CCDC’s acceptance or rejection of the Cost Documentation and CCDC’s determination of the “Actual Eligible Costs” to be reimbursed. CCDC shall, in its discretion, determine the Actual Eligible Costs following its review of the Cost Documentation, verification of the commercial reasonableness of the costs and expenses contained in such Cost Documentation, and comparison of the amounts in the Cost Documentation to the amounts in the Schedule of Eligible Costs. In no event will the Actual Eligible Costs exceed the amount set forth on the Schedule of Eligible Costs.

If Developer disagrees with CCDC’s calculation of the Actual Eligible Costs, Developer must respond to CCDC in writing within three (3) days explaining why Developer believes CCDC’s calculation was in error and providing any evidence to support any such contentions Developer wants CCDC to consider. CCDC shall respond to Developer within three (3) days with a revised amount for the Actual Eligible Costs or with notification to Developer that CCDC will not revise the initial amount calculated. At that point, the determination of the Actual Eligible Costs will be final.

CCDC’s determination of the Actual Eligible Costs is within its reasonable discretion.

9. Conditions Precedent to CCDC’s Payment Obligation. CCDC agrees to reimburse Developer in the amount as determined in compliance with Paragraphs 7 and 8 no later than ninety (90) days after completion of all of the following:

- a. CCDC gives written confirmation to Developer that the Painting Project has been completed in compliance with this Agreement.

- b. Developer provides lien waivers or other acceptable proof of payment to all contractors, subcontractors or material suppliers that provided services or materials in the performance of the Painting Project.

Failure to comply with all Agreement provisions after notice and an opportunity to cure pursuant to Section 11 below, shall be a basis for termination of CCDC's reimbursement obligation.

10. Subordination of Reimbursement Obligations. Notwithstanding anything to the contrary in this Agreement, the obligation of CCDC to make the payments as specified in this Agreement shall be subordinate to all CCDC obligations previously entered into which have committed available CCDC revenues for all Districts and may be subject to consent and approval by CCDC Lenders, which CCDC shall obtain prior to commencement of the Painting Project.

11. Default. Neither Party shall be deemed to be in default of this Agreement except upon the expiration of thirty (30) days, or ten (10) days in the event of failure to pay money, from receipt of written notice from the other Party specifying the particulars in which such Party has failed to perform its obligations under this Agreement. In the event of a default, the non-defaulting Party may do the following:

- c. The nondefaulting Party may terminate this Agreement upon written notice to the defaulting Party and recover from the defaulting Party all direct damages incurred by the nondefaulting Party.
- d. The nondefaulting Party may seek specific performance of those elements of this Agreement which can be specifically performed, in addition, recover all damages incurred by the nondefaulting Party. The Parties declare it to be their intent that elements of this Agreement requiring certain actions be taken for which there are not adequate legal remedies may be specifically enforced.
- e. The nondefaulting Party may perform or pay any obligation or encumbrance necessary to cure the default and offset the cost thereof from monies otherwise due the defaulting Party or recover said monies from the defaulting Party.
- f. The nondefaulting Party may pursue all other remedies available at law, it being the intent of the Parties that remedies be cumulative and liberally enforced so as to adequately and completely compensate the nondefaulting Party.
- g. In the event Developer defaults under this Agreement, CCDC (the nondefaulting Party) shall have the right to suspend or terminate its payment under this Agreement, as more specifically defined in this Agreement, for so long as the default continues and if not cured, CCDC's obligation for payment may be deemed extinguished by CCDC in its discretion.

10. Captions and Headings. The captions and headings in this Agreement are for reference only and shall not be deemed to define or limit the scope or intent of any of the terms, covenants, conditions, or agreements contained herein.

11. **No Joint Venture or Partnership.** CCDC and Developer agree that nothing contained in this Agreement or in any document executed in connection with this Agreement shall be construed as making CCDC and Developer a joint venture or partners.

12. **Successors and Assignment.** This Agreement is not assignable except that Developer may assign Developer's rights or obligations under this Agreement to a third party only with the written approval of CCDC, which approval may be granted or denied in CCDC's sole discretion.

13. **Notices and Receipt.** All notices given pursuant to this Agreement shall be in writing and shall be given by personal service, by United States mail, or by United States express mail or other established express delivery service (such as Federal Express), postage or delivery charge prepaid, return receipt requested, addressed to the appropriate Party at the address set forth below:

Developer's obligation under this Section 15 shall survive the termination, cancellation, and expiration of this Agreement.

16. Insurance Requirements. Developer shall, or through its contractor, agents, representatives, employees, or subcontractors, at its sole cost, obtain and maintain in force for the duration of the construction of the Painting Project, insurance of the following types, with limits not less than those set forth below and in a form acceptable to CCDC, against claims for injuries to persons or damages to property which may arise from, or in connection with, the performance of the services hereunder by Developer, its agents, representatives, employees, or subcontractors:

Developer shall also provide, with its certificate of insurance, executed copies of the additional insured endorsements and dedicated limits endorsements required in this Agreement. At CCDC's request, Developer shall provide a certified copy of each insurance policy required under this Agreement.
- f. The foregoing insurance coverage shall be primary and noncontributing with respect to any other insurance or self-insurance that may be maintained by CCDC. The fact that Developer has obtained the insurance required in this Section shall in no manner lessen or affect Developer's other obligations or liabilities set forth in this Agreement.

17. Antidiscrimination during Construction. Developer, for itself and its successors and assigns, agrees that in the construction of the improvements on the Project Site provided for in this Agreement, Developer will not discriminate against any person on the basis of age, race or ancestry, color, national origin, disability or handicap, creed or religion, sex, sexual orientation, gender identity, gender expression, or marital status.

This Agreement integrates all of the terms and conditions mentioned herein or incidental hereto and supersedes all negotiations or previous agreements between the Parties with respect to all or any part of the subject matter thereof. All waivers of the provisions of this Agreement must be in writing and signed by the appropriate authorities of CCDC and Developer.

23. Amendments to this Agreement. CCDC and Developer agree to mutually consider reasonable requests for amendments to this Agreement and any exhibits hereto which may be made by any of the Parties hereto, lending institutions, bond counsel, financial consultants, or underwriters, provided said requests are consistent with this Agreement and would not alter the basic business purposes included herein or therein. Any such amendments shall be in writing and agreed to by the Parties.
