

REQUEST FOR QUALIFICATIONS

2019 STREETScape IMPROVEMENTS PROJECT

CONSTRUCTION MANAGER / GENERAL CONTRACTOR
(CM/GC) SERVICES

PROPOSALS DUE: FEBRUARY 13, 2019 by 2 P.M. local time

JANUARY 17, 2019

Dear Proposer:

In accordance with the qualification-based selection process set forth in Idaho Code § 67-2320, Capital City Development Corporation (CCDC) will accept proposals about qualifications to perform Construction Manager / General Contractor (CM/GC) services for the agency's 2019 Streetscape Improvements Project. Proposers must be licensed in Idaho with both a construction manager license and a public works contractor license as a general contractor.

CCDC plans to hire a CM/GC to deliver a complex, multi-layer public works improvements project in the River Myrtle Old Boise and Westside Urban Renewal Districts. This project will incorporate construction of standard and custom streetscape improvements in public rights-of-way, including unique features such as: street furnishings; suspended site lighting and historic street lights; suspended pavement systems, green storm water infrastructure; brick paving systems; colored and patterned concrete; integrated bike facilities; conduit banks; and vault modifications.

Written proposals will be accepted at the offices of CCDC at 121 N. 9th Street, Suite 501, Boise, Idaho 83702 until 2 p.m. local time on February 13, 2019. Proposals will be evaluated on the basis of qualifications as specified in this Request for Qualifications (RFQ). A selection committee will evaluate each of the proposals and may choose to conduct interviews with one or more of the Proposers.

CCDC reserves the right to reject any and all proposals, to waive any irregularities in the proposals received, and to accept the proposal that is in the best interest of CCDC and the public. The issuance of this RFQ and the receipt and evaluation of proposals does not obligate CCDC to award a contract. CCDC will pay no costs incurred by Proposers in responding to this RFQ. CCDC may, in its discretion, cancel this process at any time prior to execution of a contract without liability.

A Pre-Proposal Meeting will be held at the CCDC offices at 2 p.m. on January 30, 2019. Attendance by Proposers is strongly recommended but not required.

CCDC appreciates your interest in meeting the needs of the citizens of Boise.

Mary Watson
General Counsel | Contracts Manager

121 N 9TH ST, SUITE 501 BOISE, ID 83702
208-384-4264 WWW.CCDCBOISE.COM

INSTRUCTIONS TO PROPOSERS

1.1 Proposal Information

Proposals must be sealed and plainly marked for delivery as follows:

Capital City Development Corporation
Attn: Mary Watson, General Counsel | Contracts Manager
121 N. 9th Street, Suite 501
Boise, Idaho 83702

Please indicate “CM/GC: 2019 STREETScape IMPROVEMENTS - SEALED PROPOSAL ENCLOSED” on the outside of the envelope. Don’t forget to sign your proposal. Unsigned proposals will not be accepted.

Proposals must include: ONE (1) signed original proposal; FOUR (4) printed copies of the proposal; and a digital (PDF) version of the entire proposal on either ONE (1) flash drive or ONE (1) compact disk. Late or incomplete proposals will not be accepted. Email or fax proposals will not be accepted. DO NOT FAX YOUR PROPOSAL.

SUBMISSION DEADLINE: 2 p.m. local time, February 13, 2019

Proposer assumes full responsibility for the timely delivery of its proposal package to CCDC. Proposer will be responsible for all costs (including site visits where needed) incurred in preparing or responding to this RFQ. All materials and documents submitted in response to this RFQ become the property of CCDC and will not be returned.

PROJECT INFORMATION

2.1 Background

CCDC has an on-going program of constructing streetscapes in downtown Boise to create a network of pedestrian-friendly streets and a distinct identity for the downtown area. This year CCDC is concentrating its enhancement efforts in the area of 8th and Bannock Streets and on 6th Street between Main and Front Streets. Downtown growth is changing how public spaces are used, creating a need for design enhancements and improvements to address those opportunities. CCDC has budgeted approximately \$2,500,000 for all costs (including design) related to the construction of the improvements listed below.

Jensen Belts Associates is the lead design consultant for the 8th and Bannock area. The Land Group is the lead design consultant for the 6th Street area. The design consultant role includes meetings with public agencies and private stakeholders to coordinate design and to gain approvals in addition to working closely with the CM/GC during pre-construction and construction phases.

2.2 Contemplated Improvements

The following list summarizes the 2019 Streetscape Improvements Projects that are envisioned to be delivered by the CM/GC through a rolling schedule with multiple bid packages. Please see Exhibit C for a depiction of these improvements.

- **Streetscape Improvements: Bannock Street (north side), Capitol Blvd. to parking lot west of the Garro Building; 8th Street from Bannock St. to State St.; and 6th St. from Main St. to Front St.**
Full reconstruction of streetscapes compliant with the City of Boise's Streetscape Standards, including suspended pavement systems.
Enhance existing bike lane with protective concrete median separating the bike lane from the vehicle travel lane.
Replacement of irrigation system and some trees.
Install historic light pole assemblies.
Brick paving repairs as needed.
- **Conduit Bank: 8th Street from Bannock St. to State St.; Bannock Street from 8th St. to Capitol Blvd.; and Capitol Blvd. from Bannock St. to Boise City Hall.**
Install a bank of underground spare conduit runs for future fiber optic and telecommunication expansion.
Install vaults to access conduit bank in the vicinity of each street and alley intersection.
Connect to the existing conduit bank/vault system at the northwest corner of City Hall.
Installation will require a combination of trenching and boring.
- **Conduit Bank: 5th Street from north of Front St. to north of Main St.; Block 7 Alley from Capitol Blvd. to 6th St.; and 6th Street from Block 7 Alley south to Broad St.**
Install a bank of underground spare conduit runs for future fiber optic and telecommunication expansion.
Install vaults to access conduit bank in the vicinity of each street and alley intersection.
Connect to the existing conduit bank/vault system in Broad Street.
Installation will require a combination of trenching and boring.
Install a street light at 5th and Grove.
Coordinate with utility companies relocating aerial utility lines to underground along 5th Street and Grove Street.
- **Block 7 Alley Improvements: between Grove St. and Main St., from Capitol Blvd. to 6th St.**
Relocate overhead utilities underground.
Install spare conduit underground for future telecommunications.
Install new hardscape.
Install light poles and string lighting.
Install screening consisting of a combination of masonry and engineered metal material from the ground to a height of approximately 6 feet.

2.3 Project Schedule

Conceptual plans are underway and will be submitted to the City of Boise Design Review Committee starting in late-January. The successful CM/GC will be given approved DR plans (30% drawing set) to develop an initial estimate. Preconstruction is expected to start as early as

March 2019 and continue until the last Guaranteed Maximum Price (GMP) is approved. Construction is expected to start July 2019 and is expected to finish by December 31, 2019.

2.4 CM/GC Scope of Services

All CM/GC contracted services must be performed by staff properly licensed in the State of Idaho. The following services are anticipated in the CM/GC Services agreement with CCDC. The descriptions are illustrative in nature and not exhaustive. The actual scope of services will be negotiated after this RFQ selection process has been conducted.

Preconstruction Phase, for Design and Bidding and Long Lead Procurement Services:

- Work with CCDC staff and the design team to review the project and visit the work areas to become familiar with the project;
- Work cooperatively with other agencies including the City of Boise, the Ada County Highway District, the State of Idaho, as well as owners of adjacent properties;
- Review draft design drawings and specifications to identify clarity and constructability issues; provide cost estimates as needed;
- Work with staff to develop a project schedule and refine the logistics plans;
- Develop and obtain trade contract scopes and other contract documents;
- Obtain competitive bids for all the work, materials, and equipment; conduct pre-bid meetings and site tours;
- Work with CCDC staff and the design team to address questions, issue addendums, and publically open bids;
- Procure long-lead material items such as specialty site furnishings, historic street lights, and suspended pavement systems;
- Work with CCDC staff and the design teams to value engineer the design and reconcile budget overruns as needed;
- Research and coordinate with specialty contractors and vendors on specialized items such as suspended pavement systems; and
- Work with CCDC staff to derive and negotiate project Guaranteed Maximum Price.

Prior to release of the first package for the subcontractor bidding, the CM/GC shall submit a bid package estimate that itemizes all bid packages to be bid and awarded and which includes the CM/GC's estimate of the cost of each bid package. As permitted by the CCDC, the bid package estimate will include line items for any work the CM/GC proposes to self-perform. The CM/GC's overhead, profit, and contingencies shall be identified in separate line items. The total of the bid package estimate shall equal the construction cost on the CM/GC's most recent estimate.

Construction Phase Services:

- Obtain project bonding, issue subcontracts and trade contracts, and obtain permits for all the work;
- Serve as the General Contractor and as a licensed Construction Manager, including:
 - Manage the construction process including coordination, planning, trade contractor management, submittals management, and requests for information;
 - Manage accounting of multiple project scopes and funding sources as requested by CCDC
 - Review and negotiate change orders, coordinate safety programs, resolve issues and claims;
 - Conduct and coordinate inspections, review and pay trade invoices, update construction schedules;

- Conduct coordination meetings;
- Maintain records, record documents and manuals, develop and monitor punch list, coordinate and assist with warranty corrections;
- Coordinate with the CCDC’s project manager and design teams; and
- Plan and provide general condition services such as superintendence, mobilization, storage areas, staging, et cetera.
- Obtain permission from and coordinate access with public and private property owners affected by the construction activity.

2.5 Special Instructions

Throughout the project, the CM/GC shall provide CCDC with professional construction management and contractor services and represent CCDC’s interests in completing the project on time, within set budgets, and as planned with minimum difficulties. It is anticipated that a contract based on ConsensusDocs will form the basis of agreement for CM/GC services to be entered into for the project; provided however, CCDC reserves the right to change, modify, or amend the final contract to be entered into by the parties.

GENERAL CONDITIONS

3.1 Intent of RFQ

It is the intent of CCDC to run a Qualification Based Selection process to select a company capable of providing the CM/GC services outlined within this proposal. The CM/GC ranked highest will be approached to negotiate the contract necessary for this project. If a contract cannot be negotiated, CCDC will then approach the next highest ranked company to negotiate the contract. CM/GC is not guaranteed work nor compensation until under contract with CCDC.

3.2 Reserved Rights

CCDC reserves the right to act in the public best interest and in furtherance of the purposes of the Idaho Code Title 50, Chapter 20 (Idaho Urban Renewal Law) and Idaho Code Title 67, Chapter 28 (Purchasing by Political Subdivisions). CCDC reserves the right to waive any formalities or defects as to form, procedure, or content with respect to its Request for Qualifications and any irregularities in the proposals received, to request additional data and information from any and all Proposers, to reject any proposals based on real or apparent conflict of interest, to reject any proposals containing inaccurate or misleading information, and to accept the proposal or proposals that are in the best interest of CCDC and the public. The issuance of this RFQ and the receipt and evaluation of proposals does not obligate CCDC to select a company nor award a contract. CCDC may in its discretion cancel, postpone, or amend this RFQ at any time without liability.

3.3 Public Records

CCDC is a public agency. All documents in its possession are public records subject to inspection and copying under the Idaho Public Records Act, Chapter 1, Title 74, Idaho Code. The Public Records Act contains certain exemptions – one of which that is potentially applicable to part of your response is an exemption for trade secrets. Trade secrets include a formula, pattern, compilation, program, computer program, device, method, technique or process that derives economic value, actual or potential, from not being generally known to, and not being

readily ascertainable by proper means by other persons and is subject to the efforts that are reasonable under the circumstances to maintain its secrecy. Prices quoted in a proposal are not trade secrets.

If any Proposer claims any part of a proposal is exempt from disclosure under the Idaho Public Records Act, the Proposer must: 1.) Indicate by marking the pertinent document "CONFIDENTIAL"; and 2.) Include the specific basis for the position that it be treated as exempt from disclosure. Marking the entire proposal as "Confidential" is not in accordance with Idaho Public Records Act and will not be honored.

CCDC, to the extent allowed by law and in accordance with these Instructions, will honor a nondisclosure designation. By claiming materials to be exempt from disclosure under the Idaho Public Records Act, Proposer expressly agrees to defend, indemnify, and hold CCDC harmless from any claim or suit arising from CCDC's refusal to disclose such materials pursuant to the Proposer's designation. Any questions regarding the applicability of the Public Records Act should be addressed to your own legal counsel prior to submission.

3.4 Insurance

Prior to executing any contract for CM/GC services with CCDC or commencing any work under the contract, the CM/GC will be required to provide evidence of the coverages listed below and pay all costs associated with the insurance coverage. Insurance policies or certificates of insurance will name CCDC as the named insured, and the CM/GC will maintain these minimum insurance coverages during the entire term of the contract:

- a. Professional Liability Insurance coverage with minimum coverage of One Million Dollars (\$1,000,000.00) per occurrence and a minimum aggregate limit of One Million Dollars (\$1,000,000.00). NOTE: CGL policies do not provide coverage for the type of professional services the CM will be performing during the pre-construction phase of the project, therefore Professional Liability Insurance coverage must be obtained.
- b. Commercial General Liability Insurance coverage with minimum coverage of Two Million Dollars (\$2,000,000.00) on an occurrence basis (not a claims-made basis).
- c. Automobile Insurance coverage with minimum coverage of Five Hundred Thousand Dollars (\$500,000.00) per occurrence for owned, non-owned, and hired vehicles.
- d. Worker's Compensation Insurance in an amount as required by statute and Employer's Liability Insurance in an amount not less than Five Hundred Thousand Dollars (\$500,000.00) for each occurrence, for all of the company's employees to be engaged in work on the project under contract and, in the case any such work is subcontracted, the CM/GC company will require Subcontractors and trade contractors similarly to provide Worker's Compensation and Employer's Liability Insurance for all the Subcontractors and trade contractors to be engaged in such work.

3.5 Bonding

As the General Contractor, the CM/GC must have the capability to bond for 100% of the contract price of the project estimated at the time the contract is negotiated and until such time that the entire project bids, the overall GMPs for the work are established, and the bond is delivered to CCDC. Proposer shall indicate within their cover letter that they certify that they have the bonding capacity to meet the requirements of this RFQ.

The performance and payment bonds shall be AIA Document A312 (2010 or the most recent edition) or a standard surety form certified approved to be the same as the AIA A312 form and shall be executed by a surety or sureties reasonably acceptable to CCDC and authorized to do business in the State of Idaho.

3.6 Taxes

CCDC is exempt from federal and state taxes. Items purchased by CCDC and put into use by a contractor are subject to Idaho Use Tax. All other taxes are the responsibility of the Contractor and are to be included in the Contractor's pricing.

3.7 Legal Residency Requirement

By submitting a proposal, the Proposer attests, under penalty of perjury, that they are a United States citizen or legal permanent resident or that they are otherwise lawfully present in the United States pursuant to federal law. Prior to being issued a contract, the company will be required to submit proof of lawful presence in the United States in accordance with Idaho Code § 67-7903.

3.8 Dual-Capacity License Requirements

Proposals will be accepted from Idaho licensed construction managers and the company of which they are a principal or full-time employee who, prior to the proposal deadline, also have a valid public works contractor license as a general contractor pursuant to Idaho Code § 54-1902. Idaho Code § 54-1902 requires that public works contractors and subcontractors have the appropriate Public Works License for the particular type of construction work involved, and the general contractor must perform at least 20% of the work under contract.

SUBMISSION, EVALUATION, AND SELECTION

4.1 Pre-Proposal Meeting

A Pre-Proposal Meeting will be held at the CCDC offices at 2 p.m. on Wednesday, January 30, 2019. The design teams will be in attendance to explain the project and answer questions. Attendance by Proposers is strongly recommended but not required.

4.2 Required Submission Materials and Format

Proposers must submit the following completed forms by the proposal deadline:

- RFQ Submittal Cover Sheet (attached to this RFQ as Exhibit A)
- RFQ Waiver and Release (attached to this RFQ as Exhibit B)
- Signed Cover Letter

- ONE (1) signed original proposal
- FOUR (4) printed copies of the proposal
- a digital (PDF) version of the entire proposal on *either* one (1) flash drive or one (1) compact disk.

Failure to submit all requested information may render any proposal unresponsive and void.

4.3 Scoring

Proposals must include the following information in the sequence set forth below. This format is meant to allow uniform review and easy access to information by the evaluation committee. For each of the specific articles listed below, Proposers should include a complete description of qualifications to serve as a CM/GC. Proposers are invited to include information about innovative methods and/or procedures that they can provide to assist in ensuring successful completion of this project; unique qualities and/or capabilities and cost efficiencies should be identified. Proposers acknowledge they will be ranked according to each article below, with points applied per article (200 points total):

RFQ Submittal Cover Sheet (Exhibit A) 5 Points

RFQ Waiver and Release (Exhibit B) 5 Points

Signed Cover Letter – limit one page Pass / Fail

A signed letter briefly stating the Proposer’s understanding of the work to be done, the commitment to perform the work within the time period, a statement as to why the company believes it is qualified to perform CM/GC services for the project, and a statement certifying that they have the bonding capacity to meet the requirements of this RFQ.

Detailed Proposal – organized with the following information:

a. Company Profile: Describe the company’s history, size, resources, philosophy of service, typical volume of work, and construction management techniques and methods. Describe how your particular expertise, experience, techniques, and culture can be an advantage to CCDDC in completing the project. 20 Points

b. CM/GC Approach: Describe the company’s philosophy and approach to providing CM/GC services. Include a description of how the company will work to successfully meet the needs of the agency from design through construction in a seamless, efficient, and non-disruptive manner. Identify the activities that you see as being most important to the success of the project and elaborate on the anticipated benefits of these activities to the project. 40 Points

c. Project Manager/Point of Contact: A dynamic, well organized, and experienced team is needed for this project. Identify the personnel to whom construction management responsibility will be assigned by names, titles, roles, qualifications, years of experience, relevant project experience, and resumes. Include personnel information for both pre-construction and construction services and describe why the specific personnel were selected for inclusion on the team. Include Idaho Public Works Construction Manager License information and resumes. 40 Points

d. Budget Control: Submit detailed information of how your company provides and periodically updates cost estimates and participates in Value Engineering; specifically describe the role of your company in the decision making process when cost overruns are anticipated. Describe how your company tracks and reports construction costs, including line item costs for each bid package, fees, permits, reimbursable costs, CM fees, and all other project costs. Finally, describe how your company would administratively manage, track, and invoice for the various separate cost categories that comprise the Total Contract Cost. 20 Points

e. Scheduling: Outline your company's understanding of the local construction market as it relates to this project and how your company will ensure the proposed staff will be available at the proper times to complete this project on schedule. Include explanations of your existing and upcoming projects within the area, sub-contractor availability, and approaches to reach-out/solicit to sub-contractors. Describe the primary scheduling techniques the company uses and the software you will employ to produce an effective construction schedule. Provide examples of successful construction management and scheduling services provided on complex, multi-phase projects. Discuss in detail how you intend to enforce contract schedule compliance. 20 Points

g. Previous Similar Experience: List the company's experience for the five (5) most similar projects (in terms of size, nature and complexity) completed within the last 10 years. Projects including green storm water infrastructure, suspended pavement systems, and downtown streetscape improvements are of particular interest. Clearly identify the project scope, cost, and the company's responsibilities on the project, and identify the year each project was completed. For each project, provide a reference contact name, title, and phone number, and role on the project. Please focus on company experience – do not include individual experience for projects performed while individuals were employed by other companies. As applicable, describe the company's systems approach, including a management plan and project management control systems that will be used on this project for CCDC. 50 Points

4.4 Evaluation of Proposer

Proposals will be evaluated based on the Proposer's response and qualifications by a selection committee that may include CCDC employees and consultants. Before a CM/GC is selected, CCDC will conduct reference investigations and may conduct interviews to evaluate the Proposer's ability to perform the size and type of work anticipated and to determine the quality of the service being offered. By submitting a proposal, the Proposer authorizes CCDC to conduct reference investigations as needed and to conduct interviews where the Proposers will be evaluated based on the information described in this RFQ.

4.5 Qualification-Based Selection

Selection will be based on the procurement rules set forth in Idaho Code § 67-2320. Final selection is made by the CCDC Board of Commissioners. CCDC has the right to waive or alter submission requirements or to reject any or all proposals, consistent with Idaho law. It is the Proposer's responsibility to conform to all applicable federal, state, and local statutes or other applicable legal requirements. The information provided herein is intended to assist Proposers in meeting applicable requirements but is not exhaustive, and CCDC will not be responsible for any failure by any Proposer to meet applicable requirements.

4.6 Modification or Withdrawal of Proposal

A proposal may be modified or withdrawn by the Proposer prior to the submission deadline set forth in this RFQ.

4.7 QUESTIONS

Direct questions to: Mary Watson, CCDC General Counsel | Contracts Manager

**REQUIRED WAIVER & RELEASE
(REQUIRED FOR SUBMISSION)**

The undersigned has read this waiver and release and fully accepts the Capital City Development Corporation's (CCDC) discretion and non-liability as stipulated herein, and expressly for, but not limited to, CCDC's decision to proceed with a qualification based selection process in response to the Request for Qualifications (RFQ) to select a company to supply CM/GC services to CCDC for the project.

- A. Discretion of CCDC: The Proposer submitting a response to this CM/GC RFQ agrees that CCDC has the right to, unless contrary to applicable state law:
 - a. Modify or suspend any and all aspects of the process seeking proposals and making any decisions concerning the CM/GC services RFQ;
 - b. Obtain further information from any person, entity, or group regarding the Proposer, and to ascertain the depth of Proposer's capability and experience for supplying CM/GC services and in any and all other respects to meet with and consult with any Proposer or any other person, entity, or group;
 - c. Waive any formalities or defects as to form, procedure, or content with respect to CCDC's RFQ to select a CM/GC firm and any response by any Proposer thereto;
 - d. Accept or reject any sealed proposal received in response to the RFQ, including any sealed proposal submitted by the undersigned; or select any one proposal over another in accordance with the selection criteria; and
 - e. Accept or reject all or any part of any materials or statements, including, but not limited to, the nature and type of proposal.

- B. Non-Liability of CCDC:
 - a. The undersigned agrees that CCDC shall have no liability whatsoever of any kind or character, directly or indirectly, by reason of all or any decision made at the discretion of CCDC as identified above.
 - b. The undersigned, including all team members, have carefully and thoroughly reviewed the RFQ and has found it to be complete and free from ambiguities and sufficient for their intended purpose.
