

AGENDA BILL

Agenda Subject: Award Contract: 17th Street Interim Streetscape Improvements Project		Date: April 8, 2024
Staff Contact: Kathy Wanner Contracts Manager	Attachments: A. Resolution 1869 B. Bid Results C. Bid from LaRiviere	
Action Requested: Adopt Resolution 1869 awarding the contract for the 2024 17th Street Interim Streetscape Improvements Project to LaRiviere, Inc.		

Background:

Coinciding with the Boise Police Department's 2020 Crime Prevention Through Environmental Design Assessment, the Agency also completed the 17th Street Reinvestment Study to evaluate and prioritize public infrastructure investment within the 17th Street neighborhood and Shoreline Urban Renewal District. Findings of both studies identified 17th Street as a priority corridor to improve public safety through street improvements and activated neighborhood standards.

The 17th Street Interim Streetscape Improvements Project ("Project") will include pedestrian improvements to address the current gaps in sidewalk, replace non-ADA compliant pedestrian ramps, and install additional overhead lighting on 17th Street between Shoreline Drive and the east end of 17th Street (cul-de-sac). The goal of this effort is to improve safety and mobility within the public right-of-way on 17th Street and provide the City of Boise with infrastructure to better manage on-street parking.

Procurement Process:

In advance of inviting bids for this Project, the Agency conducted a pre-qualification process for public works contractors in accordance with Idaho Code § 67-2805(2)(b). On March 11, 2024, the Agency Board adopted Resolution No. 1864 prequalifying LaRiviere, Inc. as eligible to submit a bid for the Project.

The Agency issued a Project Manual with Invitation to Bid on March 13, 2024, which invited a sealed bid from the prequalified company.

The bid from LaRiviere, Inc. was received by the March 27 deadline. The bid was submitted in a timely manner and met all required submission criteria.

Fiscal Notes:

The Agency's FY2024 budget includes sufficient funding for this project. Resolution 1869 includes a 10% contingency, also within budget, to account for any unforeseen circumstances.

Staff Recommendation:

Staff recommends the Agency Board adopt Resolution 1869 recognizing LaRiviere, Inc. as the responsive bidder, and awarding the 17th Street Interim Streetscape Improvements Project to LaRiviere, Inc. for a total bid amount of \$513,199.70, and authorizing the Executive Director to negotiate and execute the contract and to expend funds as set forth in the resolution.

Suggested Motion:

I move to adopt Resolution 1869 recognizing LaRiviere, Inc. as the responsive bidder, and awarding the 17th Street Interim Streetscape Improvements Project to LaRiviere, Inc. for a total bid amount of \$513,199.70, and authorizing the Executive Director to negotiate and execute the contract and to expend funds as set forth in the resolution.
